Next Performance: Saturday, July 29th at 2:00PM

General:

1. Tonight was our Chill with Will Performance! We had a great crowd and the actors responded really well to having a larger house tonight. The audience was a little quiet, but loved Mr. Mixon's acrobatics and Mr. Fitzpatrick correcting Mr. Mixon's Shakespeare. Before the performance Mr. Mixon wrapped his calf as it was still feeling sore from the last performance, Stage Management will be checking in again before the final show.

Scenic:

1. The drops fell successfully during the performance tonight! Thank you to everyone who has been problem solving these throughout our run.

Lighting:

1. Please see Props Note #1.
2. Thank you!

Sound:

1. During warmups today Mr. Fitzpatrick approached Stage Management and noted that the Child's Harp top string was broken. We removed the full string, or the top two lines, for the performance and do not need to fix the We removed the top two strings on the Child's Harp during warm-ups as they were broken.
2. SQ 17 was late today due to board op error.
3. Thank you!

Costumes:

1. No notes today, thank you!

Props:

1. The ghost light fell over during the scene shift at the top of show and is damaged. Can this be repaired prior to our next performance?
2. Thank you!

Changeover:

1. None today, thank you!

Line Notes:

1. No notes today, thank you!

Attendance:

1. Everyone was present and on time!

Schedule:

1. Our next performance is closing on Saturday, July 29th at 2:00PM.

Thank you, Violet, Brittany, and Dan
